

# FLIGHTLINES

JAN 2011

## From your Club President

The New Year has arrived and our club is off to a great start. We had our annual Freeze Fly and we had a great turn out. Lots of people showed up, and even though it was cold and windy, we had some planes take the sky and of course the food was as always great. I want to thank everyone that contributed and made of this another great event for the members of the Shawnee Mission Radio Control Club.

Last month we had our Swap 'n Shop which went very well. We had lots of people come through the doors, all vendor spots were sold and many people got great deals. Once again, I want to thank all of our members that helped in the organization and execution of this event. We also want to thank Hobby Haven for their continuous support and please, remember to keep them in mind for all your RC hobby needs. We also want to thank 7-Eleven for their generous donation to our club.

During our December meeting we had our usual business discussion but then we closed the year with our now traditional dirty Santa gift exchange. We had several members attend as well as well as some visitors, some of which are now members of our club.

During our December meeting, we elected new board members for some of the positions that opened up. Ron Frenzl was elected as 1<sup>st</sup> Vice President of the Field. Steve Speilbusch was elected Vice President of Training and Safety Officer and Debbie Hardesty was elected Secretary and Newsletter Editor. Their roles became effective on January 1<sup>st</sup> 2012. David Moore, Frank Hass and I continue in our current roles of Treasurer, Historian/Librarian and Club President. We appreciate the efforts of our members that are leaving the board; Wes Billings, Rick Donley and Diane Collard, all of whom did an excellent job.

It's also that time again to start renewing your memberships. We had 77 members during 2011 and I hope to see that continue to grow. Remember by re-joining before March 31st you do not need to go through the flight checkout process again.

I hope everyone is coming along with their winter projects and we look forward to seeing some of those new models at our next meeting in February.

Happy New Year Everyone

-Juan Fernandez

SMRCC President

### Club Officers

**President**  
Juan Fernandez

**1st VP of the Field**  
Ron Frenzl

**2nd VP of Training**  
Steve Speilbusch

**Treasurer**

Frank Hass

**Next Meeting:**  
Feb 9th

**MEETING PLACE:**  
Lenexa Community Center

**TIME: 7:00 pm**

## SMRCC Meeting Minutes (from last month)

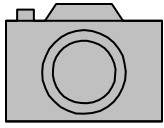

Start: 7:01 pm  
29 members present  
3 guests

### Elections:

President - Juan  
VP of Dirt - Ron Frenzl  
VP of Training - Steve Speilbussh  
Secretary - Debbie Hardesty  
Treasurer - David  
Historian - Frank

The Freeze Fly will be held Jan 1 - come rain, sleet, snow. If you want 2012 renewal, show up (and fly if you can). 9am is the time we expect officers to be available. You need to have a current AMA and SMRCC membership to fly.

Model of the month: We had 3 models for this month. Craig brought a Twist - weighing 5lb 2 oz. Ron brought a Fun Star 3D/fun fly. It is hoverable, and weighs 4.5 lbs. Has thrust of 5.5 lbs (of course it is electric). Finally the winner was Marv - a Corsair similar electric plane that was converted to gas.

## Meeting Photos

The Swap N Shop was as busy as ever and extremely successful. Thank you to all vendors and participants.
